MENU OF SERVICES

COSMEDIX® peel treatments use clean botanical ingredients to gently clarify the appearance of skin. By lifting away pore-clogging impurities and encouraging healthy skin renewal, a COSMEDIX® peel is perfect for those who hope to achieve a softer, more vibrant-looking complexion. COSMEDIX® skin peels can target rough, blemished, aging skin without using harsh chemicals that cause damage and extensive downtime.

LEVEL 1 PEELS

These peels can be added onto any skin treatment or done as a standalone treatment. They are a great introductory service to chemical peels and do not have any pre-peel preparation or post-peel downtime. (It is recommended to discontinue using any retinols 2 days prior to treatment)

Blueberry Smoothie Peel: Polishing Antioxidant

This is a great entry level peel for anyone who has not had an acid skin peel before but wants the benefit of exfoliation. Combines L-Lactic Acid with Jojoba Beads to soften rough, uneven skin for a dramatically smoother complexion.

30 Minutes, \$110 - Add on to any Facial \$40

Pomegranate Peel: Nourishing and Exfoliating Peel

The perfect pick-me-up for all skin types and concerns. This gentle, antioxidant exfoliating treatment leaves skin radiant, renewed, and glowing. Contains L-Lactic Acid, Resveratrol, and Pomegranate seed oil.

30 Minutes, \$110, - Add on to any Facial \$40

LEVEL 1+ RETINOL PEELS

These are slightly more exfoliating than our level 1 peels. It is recommended clients are using a retinol or chemical exfoliant at home prior to treatment, otherwise they might experience very light shedding after service. (It is recommended to discontinue using any retinols 2 days prior to treatment)

Essential Peptide Peel: All Purpose Retinol Peel

This gentle, metabolic treatment offers exfoliation with Lactic Acid and Retinol to help reduce the look of aging skin and to help unveil a brighter and suppler complexion.

30 Minutes, \$140

Benefit Peel: Vitamin A and C Exfoliating Peel

A gentle, all-purpose treatment that resurfaces, corrects and protects with fruit enzymes and Vitamins A and C.

30 Minutes, \$150

LEVEL 2 PEELS

Our most powerful treatments, Level 2 peels provide medium depth resurfacing to make the skin appear dramatically tighter and smoother. Due to the intensity of this treatments, a 10-day pre-treatment prep is required. We also require a consultation before scheduling one of these services.

Blueberry Jessner: Jessner's Peel

A potent peel that eliminates impurities, helps reduce the appearance of visible blemishes, and reveals the next layer of skin to improve tone and texture to reduce the signs of aging. Includes salicylic acid, l-lactic acid, and blueberry extract.

30 Minutes, \$160

Deep Sea Peel: Stimulating Herbal Peel

A non-acid peel that utilizes manual exfoliation to resurface the skin, lifting away stubborn discoloration and softening the look of acne scarring.

30 Minutes, \$175

PEEL SERIES

For best results, it is recommended to do these peels in a series of at least 3 sessions. Ideally, these sessions are spaced out between 2-4 weeks. Your practitioner will select which peels to use in the series based on individual goals. Your series will also include a complimentary post-peel care kit.

Anti-Aging/ Wrinkle Peel Series: \$380 | **Pigmentation Peel Series: \$380** | **Acne Peel Series: \$380**
